Dear Stu,

Welcome to World Bible School. I am a member of the Monrovia Church of Christ in Madison, Alabama. I have graded your Introduction Lesson.

You did great on this lesson. You only missed 1 of the multiple choice questions, which is listed above.

Your answers to the discussion questions were excellent and show that you have a good understanding of the Bible lessons!

As you study, remember "... that the God of our Lord Jesus Christ, the glorious Father, will give you the Spirit of wisdom and revelation, so that you may know Him better". (Ephesians 1:17)

World Bible School is a great way to study the word of God and grow in your faith and knowledge of the Lord. We hope that you are blessed as you work on the courses. When you finish all the lessons, you will receive a certificate of completion. Please let me know if there is anything I can pray about with you. I will be your helper and friend as you work on the lessons.

Your study helper,

Michael
