Dear Dorcas,

You did very well on this lesson. You only missed 3 of the multiple choice questions, which are listed above.

You did not answer the discussion questions in this lesson. In future lessons, please answer these questions. Answering these questions also helps me in knowing how well you understand the lesson material. I know the discussion questions are more difficult to answer, but the extra effort will help you to understand the material better.

Hopefully, as you go through these lessons, you will learn more about God's love and make the decision to be baptized as taught in the Bible; by immersion - being dipped under water. The Ethiopian eunuch was baptized this way - see Acts 8:26-40. Also, Romans 6:3-4 teaches that we are buried with Him through baptism. A burial requires that we be immersed in water.

Your study helper,

Juan
